

10 March 2019

AGENDA for AGM/MGM – 4/5 April 2019

The country report should last 3-5 minutes (no more) and should relate important developments in your country. We do not expect any great research as a basis for this report – your knowledge and that of colleagues in your Association based on experience is sufficient and valuable information to share with representatives from other countries. PLEASE PREPARE A (no more than half page) WRITTEN BULLET POINT SUMMARY WHICH CAN GO ON OUR WEBPAGE.

Outline of format for country reports:

I General comments:

- the farming environment
- new significant farming legislation
- developments in consumer interest in venison (MARKET DEMAND)

II Deer farming:

- degree of interest in farming deer (SUPPLY SIDE)
- developments in the deer farming sector (eg supply chain initiatives)
- government support for the sector

III Prices:

- price paid by consumers
- meat (carcass sales by farmers)
- live animals sales
 - red deer / stags & hinds
 - fallow deer / bucks & does

IV Problems:

- diseases
- predators
- legislation/CAP
- any other
